

Jack Straw's Falmer Watch Countdown Calendar.

A "must have" for everyone this Christmas!

Order Form.

I am producing a 2010 calendar with 4 photos of our Falmer Stadium Site taken a year ago for each month.

The idea is that you can see how the stadium has progressed, month by month, from the same time a year ago, perhaps by comparing up to date photos on "www.countdown2falmer", Mark Raven's wonderful "englandbrighton.blogspot.com", or even "North Stand Chat".

In the calendar box for the first day of the year, the number 582 appears. This is how many days to go until the planned first fixture, 6th August 2011.

This then counts down day by day.

To be as eco-friendly as possible, it is A4 size, printed on both sides.

£ 1.00 from the sale of each calendar will go to Brighton & Hove Albion Supporters Club.

The cost per calendar including postage and packing is £ 9.00.

You will receive your calendar(s) before Christmas.

Should you wish to make a purchase, please complete the form below.

I would likecalendars @ £ 9.00. Total £.....
